6.6.02 Definitions. Except as may otherwise be provided or clearly implied by context, all terms shall be given their commonly accepted definitions. The singular shall include the plural and plural shall include the singular. The masculine shall include the feminine and the neuter, and vice-versa. The term "shall" means mandatory and the term "may" is permissive. When used in this Section, the following terms have the following meanings:

"Peddler" means any person, whether a resident of the City of Cloquet or not, who goes from house to house, door to door, business to business, from place to place, or from street to street, conveying or transporting goods, wares or merchandise or offering or exposing the same for sale, selling or attempting to sell, and delivering immediately upon sale, the goods, wares, products, merchandise, or other personal property, that the person is carrying or otherwise transporting. The term peddler shall mean the same as the term "hawker". It does not include vendors of milk and dairy products, farm and garden products sold by those involved in growing or cultivating the same, or the delivery or sale of bakery goods, groceries, or ice by those who distribute their products to regular customers on established routes.

Subd. 2. Transient Merchant. "Transient merchant" includes any person, individual, co-partnership, firm or corporation, whether as owner, agent, consignee, or employee, whether a resident of the City of Cloquet or not, who engages in, or transacts any temporary and transient business of selling and delivering goods, wares and merchandise within said city, and who, in furtherance of such purpose, temporarily hires, leases, uses or occupies any building, structure, vacant lot, motor vehicle, trailer, tent, railroad boxcar, boat, public room in hotels, lodging houses, apartments, shops or any street, alley or other place within the City for the exhibition and sale of such goods, wares and merchandise, either privately or at public auction. Provided that such definition does not include any person, firm or corporation who, while occupying such temporary location, does not sell from stock, but exhibits samples for the purpose of securing orders for future delivery only. The person, firm or corporation so engaged is not relieved from complying with the provisions of this Section merely by reason of associating temporarily with any local dealer, trader, merchant, or auctioneer, or by conducting such transient business in connection with as a part of, or the name of any local dealer, trader, merchant, or auctioneer.

Subd. 3. Solicitor. "Solicitor" means any person, whether a resident of the City of Cloquet or not, who goes from house to house, from place to place or from street to street, soliciting donations or taking or attempting to take orders for sale of goods, wares or merchandise, including magazines, books, periodicals, or personal property of any nature whatsoever for future delivery, or for service to be performed in the future, whether or not such individual has, carries or exposes for sale a sample of the subject of such order or whether or not he is collecting advance payments on such orders. Such definition includes any person who, for himself, or for another person, firm or corporation, hires, leases, uses or occupies any building, motor vehicle, trailer, structure, tent, railroad boxcar, boat, hotel room, lodging house, apartment, shop, or other place within the City for the primary purpose of exhibiting samples or taking orders for future delivery. Subd. 4. Contribution Solicitation. "Contribution solicitation" means an attempt by a solicitor to obtain money from a solicitee for any cause or purpose, when either the solicitor or person acting for him contacts the solicitee by telephone or in person other than at the established place of meeting, business, service, or activity of the organization represented by the solicitor, except: (1) an attempted solicitation in which the solicitee personally knows the identity of the solicitor, the name of the organization he represents, and the identity of the services performed or offered by the organization, or, (2) an attempted solicitation in which the solicitee has first initiated the contact with the solicitor or the organization represented by him.

A “canvasser” is similar to a solicitor in some respects but is differentiated by the fact that a canvasser refers to the practice of going door-to-door or location to location with the primary purpose of furthering religious, social, or political advocacy. **Section 6.10: REGULATIONS REGARDING THE
LICENSING OF SEXUALLY ORIENTED BUSINESSES**

6.10.01 Purpose. The purpose of this section is to prescribe licensing requirements for sexually-oriented businesses in order to protect the general health, safety, and welfare and to control certain land uses that may have a direct and detrimental effect on the character of the City's residential and commercial neighborhoods.

6.10.02 Findings of the City Council. The City Council makes the following findings regarding the need to license sexually-oriented businesses. The findings are based upon the experiences of other cities where such businesses have located, as studied by a City staff committee. It is apparent from that review and the data compiled by staff that there are a number of issues that must be addressed:

- A. Sexually oriented businesses can exert a dehumanizing influence on persons attending places of worship, children attending state licensed family day care home, state licensed group family day care homes, and state licensed child care centers; student attending school; and people using public parks and libraries.
- B. Sexually-oriented businesses can be used as fronts for prostitution and other criminal activity. The experience of other cities indicates that the proper management and operation of such businesses can, however, minimize this risk, provided the owners and operators of such facilities are regulated by licensing or other procedures.
- C. Sexually oriented businesses can significantly contribute to the deterioration of residential neighborhoods and can impair the character and quality of the residential housing in the area in which such businesses are located, thereby exacerbating the shortage of affordable and habitable housing for City residents.
- D. The concentration of sexually oriented businesses in one area can have a substantially detrimental effect on the area in which such businesses are concentrated and on the overall quality of life in the community. A cycle of decay can result from the influx and concentration of sexually oriented businesses. The presence of such businesses is often perceived by others as an indication that the community or area is deteriorating and the result can be devastating to other businesses that may be required to move out of the vicinity and which could influence residents to relocate from the area. It has been noted that the presence of such businesses can have the overall effect of causing declining real estate values, which result can be exacerbated by the concentration of such businesses, which can erode the City's tax base and contribute to overall community blight.
- E. Sexually-oriented businesses can increase the risk of exposure to communicable diseases including but not limited to Acquired Immune Deficiency Syndrome (AIDS) for which currently there is no cure.
