Other tax deductible donations of any amount are greatly appreciated.

Veterans Memorial Park

Cloquet, Minnesota

Located at the intersection of Highway 33 and Cloquet Avenue, Veterans Memorial Park was originally established in 1975, in honor of our area veterans. With the understanding that this site is considered by many as the "center" of Cloquet, in 1999, the Veterans Park Redevelopment Plan was completed as a meaningful tribute to those who have bravely and faithfully served to protect our great county and our community.

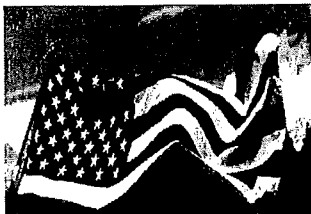

The effort is now underway to complete Phase 1 of the Master Plan, which includes Old Glory surrounded by a memorial plaza and garden at a cost of \$200,000. Tax deductible donations of any amount are greatly appreciated. For a minimum contribution of \$100, an engraved Flagstone can be purchased in honor of a veteran of your choice.
